Company Milestones:

On 2005 we established our company by engineer Ahmed Naeim Assayyad, with under name of Assayyadco Trade. we started in the field of elevators specially local assembly product which is collected from many brands,.

On October 2010, we are looking for excellence and seniority so we got exclusive agency for unique product of elevator air conditioner, we installed four units in Savoy hotel in sharm elsheikh,

On April 2012 we shared as exhibitor in Egyptian Pavilion in (Five in One Exhibition) in Erbil – Iraq, we were one of only three exhibitors in the field of elevators and others from Turkey and Iran,

On January 2013 we decided to enlarge our company by shared a partner and changed the legal shape to be solidarity company with under name of ATECO.

On December 2014 we visited one of the best Automated parking systems in China and signed MOU agreement to share an engineering solutions and installation technology for projects in Egypt.

On March 2015 because we are looking for excellence, we succeeded to sign an agency agreement with Pappas company from Greece which is a distinction in the field of Hydraulic elevator,

On May 2019, we changed the legal shape of company to be Shareholding Company under name of ATECO CORPORATION.

On August 2019, we deal with Automated parking systems in South Korea, to be our manufacturer partner in projects in Egypt.

On September 2019, we started a new business unit of solar systems by supporting partners specialized in solar projects, refer to

On March 2020 we are an official agent of one of the best manufacturer in China for a complete elevators package SURAPID, it's guaranteed to be of high quality. Control system, traction machine and door operators adopt OTIS technology. Control system is OPTIMAX which has the same mainboard with OTIS elevators.

On April 2020 we are coded in Thyssen Krupp-England as official company of selling and services provider of home lifts (Platform, Hydraulic, Chair lift, room-less lifts) in Egypt, we are proud to be part of the esteemed company Thyssen.

Company Main Business Units

1. Elevators, Home lifts and escalators
2. Automated parking systems
3. Solar system

Products related to company business units

1. Vertical Transportation: Elevators, Home lifts and escalators

- a) Thyssen Krupp- Home lifts
Altura Gold- Platform
Altura Platinum- Hydraulic
Altrura Diamond- Room-Less
- b) Complete package elevators & Escalators
Agent of Surapid-China
- c) Air Lift – Eni Spain (Shaft-less)
- d) Platform Lift- Turkey (shaft less)
- e) Hydraulic – MyLift-Italy
- f) Dumbwaiter elevator- Turkey
- g) Elevator air conditioner
- h) Air purifier for elevators
- i) Steel tower structure for buildings without shaft

2. Automated parking systems

- a) PJS system
- b) PSH System
- c) PCY System
- d) PCS System
- e) PXD System
- f) PPY System
- g) Rotary Carousel System

3. Solar systems

- a) PV roof top solar system
- b) Solar pump system
- c) Solar heater system
- d) Solar street Light
- e) Solar Appliances
